Community Initiatives

At Blue Orange Games, we understand the importance of giving back to the community. As a company, we actively work to create partnerships that will directly benefit children while also promoting the value of play. Our ongoing efforts include donating to schools, libraries, therapy centers and disaster relief organizations. We also sponsor local game nights, meet-ups, and special events across the country. In our local community, we reach 1,000 kids each summer through "play days" at dozens of summer camps, and have hopes to expand this program. Our goal is to bring joy to as many people as possible by providing access and opportunity to play.

Kingdomino

AGES 8 & Up | 2-4 PLAYERS

Dominoes with a kingdom building twist! Each turn, connect a new domino to your kingdom, making sure at least one of its sides connects to a matching terrain type already in play. When each player has completed a 5x5 grid, the game ends and points are counted. **Kingdomino was voted "Game of the Year" in many European countries, including Germany where it won the coveted Spiel des Jahres award.**
