OMY coloring rolls and posters: a world of fun to color in!

OMY Design & Play (Paris) produces playful, hand-drawn coloring posters depicting cities, countries, games, and fantasy worlds for kids (and adults!) to color.

OMY was founded in 2012 by Marie-Cerise Lichtlé and Elvire Laurent, both graduates of the École des Arts Décoratif in Paris.

Their collection of XXL Coloring Rolls, (pictured above), Posters, Placemats, and Pocket Games have illustrated maps of the USA, NYC, Brooklyn, San Francisco, Los Angeles, Paris, and London, as well as fantastical themes for kids and more intricate patterns to color in for adults. The coloring rolls, posters, and placemats are perfect for birthday parties, or to leave on the wall to complete over time. The Pocket Games are great for kids in cars, airplanes, or restaurants.
