A WISH
for
well-balanced play

Our philosophy on play

Over the past 5 years we have created over 60 unique toys inspired by the work of Benjamin Barlowe, an early 20th Century inventor from Fort Collins, Colorado.

A WISH for Well-Balanced Play

Artist
Writer
Inventor
Sportster
Hero

Children switch between **all** of these styles of play each and every day. Our toys are designed to satisfy **EACH** of these playful personalities.

Artist — Arts, crafts, music and more creative fun!
Writer — Social and role play, great storytelling play
Inventor — Educational, exploration, and problem solving fun
Sportster — Active, outdoors, and classic game play
Hero — Character play, storytelling, and bath time fun

News ^{from} the Workshop

We've been busy at the workshop, creating a complete line of toys that inspire creativity, storytelling, and offer well-balanced, unplugged fun.
