

BUILD YOUR OWN VIDEO GAMES

# Ever wonder how to make your own video game? With Bloxels it's never been easier.

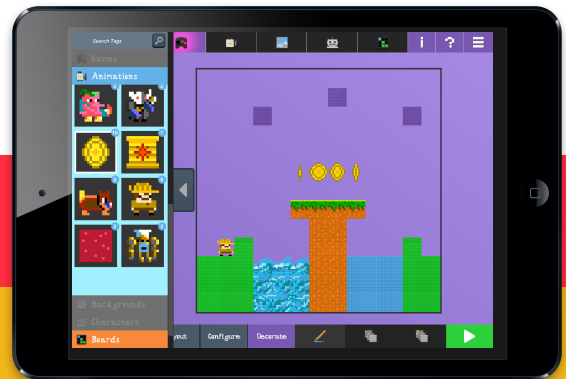

Create your very own world with blocks and turn it into a digital, shareable game!

Build and design your games, create and animate your own characters, villains, power-ups and more - all done directly on the Bloxels gameboard and then activated with our **FREE Bloxels Builder App**. All you need are the tools inside the Bloxels Box Set and your mobile device to start experimenting, creating and sharing.

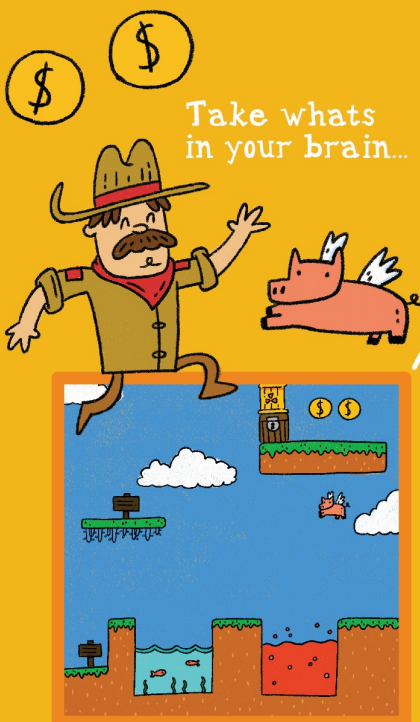

Bloxels (recommended ages 8 years and up) is the first technology of its kind and perfect for aspiring creators. And with endless gaming and learning possibilities, the fun is sure to last!

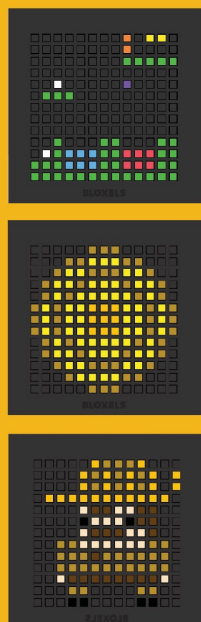

- 1 Build
- 2 Capture
- 3 Design, Play & Share

Build it...

Play it with Bloxels

## Features

A build-and-play game where players can choose and change their perspective.

Physical and digital tools that allow players to design, investigate and iterate.

Goals within various modes of gameplay that integrate creativity, analysis, strategy and problem solving.

In-game currency received for sharing and creating (rather than buying) that unlocks upgrades, new characters & more.

## Benefits

- ▶ Provides nearly endless opportunities for exploration and gameplay.
- ▶ Removes traditional boundaries and opens up enriched, sharable play experiences.
- ▶ Engages kids' brains in a variety of ways, helping them develop critical thinking skills.
- ▶ Offers tangible rewards and provides a renewable source of entertainment.
