### Endless Games Deals New Card Sharks Game

New York, NY - (January 29, 2020) – Endless Games gets “deal” to expand its licensed TV Game Show category with a home version of the current hit ABC-TV Game Show, Card Sharks, hosted by funnyman Joel McHale.

Debuting at The 2020 American International Toy Fair in New York, Endless Games (Javits Center Booth 165) will debut the Official Card Sharks TV Game Show Game (MSRP \$24.99 for 3 or more players ages 14+) which brings all of the fun of the show into your home for friends and family to play together.

Card Sharks is the game where one turn of a playing card can make you a winner or a loser! Answer tough guess-timate questions, while your opponent has to choose if you guessed too high or too low. The winner has a chance to predict their hand of cards one at a time. In the Endless Games home version of Card Sharks, individuals can play as solo contestants or a large group can organize for team play.

Card Sharks is latest in Endless Games’ extremely successful line of game show adaptations, which already includes Jeopardy and Wheel of Fortune Card Games and Junior Card Games, as well as Password board game.
