BigFoot Finally Found!

**YOUNG READERS AROUND THE GLOBE SPOT THE ILLUSIVE
BIGFOOT IN NEW SEEK-AND-FIND CHILDREN’S BOOK SERIES**

BigFoot Goes on Vacation and BigFoot Visits the Big Cities of the World

by D. L. Miller

BIGFOOT HAS INTRIGUED AND BAFFLED THE MASSES

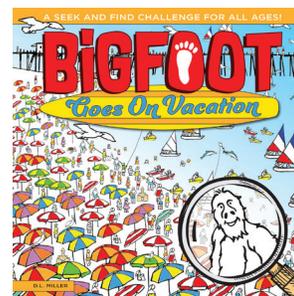

FOR AGES... Is the unexplainable beast a stealthy ape-like man who stalks the deep dark woods, or is he a creation of folklore? D.L. Miller, an artist from Pennsylvania, was always fascinated by this mystery. Spending most of his childhood tracking creatures across rocky ridgelines and wooded mountainsides, his respect for both art and nature pushed him toward one of the most magical mysteries of our

time—the illusive BigFoot!

Not many people can say they’ve captured BigFoot, but D.L. Miller can make this assertion. In his new seek-and-find children’s book series, Miller has captured BigFoot with his skilled illustrations, that is! In a four-book series, BigFoot is seen throughout big cities of the world, on vacation, at famous landmarks, and he’s even spotted going back in time! The debut titles for this series are ***BigFoot Goes on Vacation*** and ***BigFoot Visits the Big Cities of the World***, which will hit shelves in February 2018. ***BigFoot Spotted at World***

Famous Landmarks and ***BigFoot Goes Back in Time*** will launch in Fall 2018.

With the new BigFoot seek-and-find series, children and trackers of all ages can finally say they found BigFoot. Not only will trackers have tons of fun looking for BigFoot in the colorful and crowded landscapes, they’ll also have the chance to learn about the many places BigFoot visits. In ***BigFoot Visits the Big Cities of the World***, young readers will learn about ten major cosmopolitan destinations, from the Big Apple and London to Paris, Athens, Tokyo, Toronto, and more. And in ***BigFoot Goes on Vacation*** readers will have the opportunity to learn about deep sea diving, sea life, balloon festivals, Yellowstone National Park, and more!

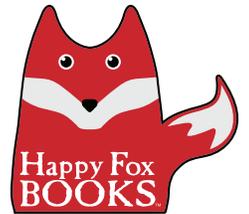

The new BigFoot seek-and-find series encourages children to have fun, while learning about interesting and important facts about our world.

Reading along with BigFoot makes the seek-and-find adventure fun!

The release of the new BigFoot seek-and-find series also marks the launch of a new children's imprint for Fox Chapel Publishing. Happy Fox will make its debut in 2018 with the BigFoot seek-and-find series.

Uplifting, fun, and interactive, the BigFoot seek-and-find books include:

- A colorful series of search and find activity books featuring the legendary BigFoot.
- Ten big visual puzzle panoramas in each book, all offering impressive levels of detail.
- The search for BigFoot on each spread, his footprint, and more than 500 other unexpected personalities and objects.
- Fun facts and illustrations about the places BigFoot visits.

About D.L. Miller

As with Bigfoot, D.L. Miller is a bit on the reclusive side, rarely seen in public, spending most of his days sketching from his studio located amongst the mighty oak trees only found in the deep dark woodlands far off the beaten path. After spending decades learning the habits of the elusive bipedal humanoid, he has finally agreed to share his illustrative journals that capture the sightings of this larger-than-life creature that has mystified generations.
