## **Looking Ahead at 2017** The future fun at Mayfair Games

SKOKIE, ILLINOIS – February 2017 – This year is going to be a great year for Mayfair Games... here's a look at what's in store!

### **Portal of Heroes™**

**2-5 Players / 45 minutes / Ages 10+**

For centuries, peace reigned over the world of Molthar, until one day, the magician Ulfried destroyed the balance of Good and Evil with black magic. Portals provide ways for fantastic creatures and helpers to stand with you! Go to Molthar, collect magic pearls and build a team of allies from legends. Strengthen your power and fulfill the prophecy... the one who collects twelve Power Points saves the realm and wins the game

### **Saboteur: The Duel™**

**1-2 Players / 30 minutes / Ages 8+**

This two-player version of the classic card game, *Saboteur*, is sure to please fans of the original, as well as those seeking a quick, humorous two player duel. And if you can't get your hands on a second dwarf, you can always try your luck at the solo game. Will you be able to build an efficient tunnel and avoid all obstacles?

### **La Havre™**

**1-5 Players / 30-150 minutes / Ages 10+**

In Uwe Rosenberg's classic board game, *Le Havre*, each player is vying to become the preeminent shipping magnate, outshining their competitors. The game takes place over several years and players will need to acquire materials, build ships and buildings, and feed their workers. The player with the most money wins! This version will also include some extras, like the Le Grand Hameau expansion and some other promos cards that have never before been included in the base game.

### **Bärenpark™**

**2-4 Players / 30-45 minutes / Ages 8+**

*Bärenpark* takes you into the world of bears, challenging you to build your own bear park in this quick and fun puzzle adventure. Place enclosures, animal houses, and shops skillfully in your park. Complete areas quickly to score a lot of points. Cover icons to get new tiles and park sections. Make the most interesting park for years to come!

### **Iron Dragon™ Reprint**

**2-6 Players / 240+ minutes / Ages 12+**

Return to the fantasy-steampunk world of Darwinina in Mayfair Games' classic *Iron Dragon*! Using the classic crayon rails mechanics, build tracks across this magical land to deliver goods and earn money. Iron Dragon also features random events that can trigger serious dilemmas, making your job more difficult. Cross jungles, forge rivers and bribe the orcs of the underworld in this returning classic!

### **Glass Road™**

**1-4 Players / 20-80 minutes / Ages 13+**

*Glass Road* leads you into the Bavarian Forest of the 18th century where you will be tasked with the production of glass and bricks as well as managing other resources. You will need to develop your own landscape and build upon it a variety of buildings that will grant you many benefits. And at the heart of the game is your set of specialists. In this game about glass making, flexibility will be your best asset to seize victory!

**Atlantis™ - Reprint****2-4 Players / 30+ minutes / Ages 10+**

You control a faction in beautiful Atlantis, the glorious civilization built upon the sea. You must race to move your people along the great bridge to the mainland before it disappears into the thundering waters below. Picking up artifacts as you move, you must be wary of creating gaps in the bridge. For as the gaps proliferate and widen, those behind you face a costly-even perilous-journey to safety. So, flee with care and cunning. Be the first to guide your people to their new haven!

**Food Chain™****3-6 Players / 30 minutes / Ages 8+**

Everyone has a set of animals: worms, birds, cats, dogs, and fleas. Each turn, you try and guess what the other players are going to reveal, and hope that you pick something higher in the food chain than them. If you do, you claim their cards as points, but if something is higher than you, they get you and your cards from the round. *Food Chain* is an exciting game of prediction and prey!

**Party Bites™****3-5 Players / 15 minutes / Ages 8+**

What a great party! *Party Bites* is a light push-your-luck party game with lots of snacks and drinks, but be careful how much you take! Flip over cards, and keep all of one kind of snack, passing the rest to the next player. If you draw a spill, you may lose some or all of what you've collected this turn. The player with the best collection of food, drink and friends at the end of the game wins!

**Run Bunny Run™****2-5 Players / 20-50 minutes / Ages 8+**

Run Bunny Run is an all - vs. - one card placement game of wolves trying to trap a rabbit before he escapes. One player is the bunny trying to make it to his home, and the rest are hungry wolves! The wolf players move by placing cards that show where their next move will be, and work as a group to corner the rabbit. The rabbit player moves trying to find a path through the danger and to safety. Each round, one player is the bunny and the other players are the wolves. Player with the most victory points wins the game. Will you be the hunter or hunted?

**Lords of Vegas: Underworld™**

A 56-card expansion for *Lords of Vegas*, providing new game effects and the ability to score victory points off the board.

Plus many more...

- **Nuns on the Run Expansion**
- **Draftopolis**
- **Agricola: All Creatures Great and Small Reprint**
- **Songbirds**
- **Riverboat**
- **Nusfjord**
