Party Animal Pitches Line-Up of MLB Big Shot Ballers

Westlake, OH – (February 12, 2020) – Party Animal's initial National Football League Big Shot Ballers scored big with collectors during football season and now the company plans to have a line of Major League Baseball Big Shot Ballers ready for baseball season.

Big Shot Ballers, a series of 5" collectible, posable player action figures (MSRP \$14.99 each) feature some of the league's most popular athletes.

While Party Animal is currently keeping its MLB line-up confidential, the company did say that the MLB line will feature 10 players, and will be adding more NFL Big Shot Ballers.

Bryan Cantrall, President of Party Animal, said, "Big Shot Ballers are the true likeness of popular NFL and MLB players. At 5" tall, they are sturdy, detailed, posable figures that are the perfect additions to any fan's collection. With the tremendous success of our inaugural 2019 Series One set, we now plan to have a brand-new series each year."

The initial set of NFL stars includes Saquon Barkley, Tom Brady, Drew Brees, Ezekiel Elliott, Patrick Mahomes, Baker Mayfield, Aaron Rodgers, Juju Smith-Shuster, Carson Wentz and Russell Wilson.

Current Big Shot Ballers are available for order at www.partyanimalinc.com and the new collections will be added later this year.

Big Shot Ballers join Party Animals other high quality sports products which include MLB, MSL, NBA, NFL and NHL TeenyMates, SqueezyMates, new NFL and MLB Big Team Ride On "sports" cars, Big Sips sports bottles and mugs, various professional sports leagues and NCAA team jersey aprons, flags, banners, kites, wall and lawn décor, embossed metal and plastic signs, LED night lights, and face decorations.
