Cooperative Play Solves Crimes in Tactic's New *We Detectives* **Game**

Grantsville, MD - (February 10, 2016) – Put your team's special investigation skills into play with Tactic Games' cool new crime solving game, We Detectives.

Designed for 3-8 players, ages 7 and up, We Detectives is a game where players try to work together to gather evidence, explore, and use deductive reasoning to solve crimes. Each player moves his or her playing piece around the city setting on the game board as they try to solve the case before the time runs out and the bad guys get away.

Jay Knox, President of Tactic Games, said, "We're very excited to launch We Detectives as our first entry into the collaborative game format. We created the game with the popular detective theme to allow for a whole family fun team effort."

As part of the game, Tactic also added an element of surprise with some hazard discs that create

even more fun and suspense throughout the game play.

We Detectives joins other great games from Tactic Games that include, the full family of Alias games (Original, Dice, Family, Party and Junior Alias), iKNOW, Choco, Touché, Wanna Bet?, Draw Out, and Mexican Train, among many others.
