

Building cultural understanding with creative play

Award-Winning

World Village Playsets™

Immerse kids in world cultures
with fun, storytelling play.

First stop, China!

What's Exciting About World Village Playsets?

- Builds cultural understanding, a key 21st century skill
- Offers varied play types to grow with child's abilities from ages 4-10
- Develops social skills with open-ended imaginative play
- Modern update to traditional toys
- Appeals to both boys and girls
- Beautifully detailed and heirloom quality
- Ideal for families who travel, value diversity, practice Montessori, homeschool or independent learning, or who have adopted internationally.

We donate 1 in 10 World Village Playsets to low income schools, broadening horizons right from the classroom.
