Ready to experience the fun?

Let your Imagination Flow with AQUABLOCKS!

Why Aqua Blocks?

Aquablocks' mission is to encourage children to experience the outdoors and learn by creating. Our core values are focused on developing STEAM toys that are innovative, educational and FUN!

Billions of Combinations!

No joke. With Aqua Blocks, your child becomes the master of their own aquatic adventure. They can use their imagination to direct the flow of water and create their very own sprinkler masterpiece in billions of different ways!

Combines Science, Learning & Fun All In One!

With Aqua Blocks, learning becomes an adventure in play! Our innovative blocks encourage critical thinking and help develop better motor skills, all while they're having a blast building and creating their own watery wonderland!

Inside each set, you'll discover 8 blocks, 11 connectors, 4 plugs, 2 sprinklers and connectors, 2 hose connectors, and a handy carry-and-store bag!

Lightweight & Durable

Set Up Is A Breeze
